- Debra distributed January meeting minutes, an updated Goals Development Matrix table, and an IC Watershed map featuring 2007 land use and Homesites/Septics data.
- Debra noted that she has requested failing/failed septic info from both Morgan and Johnson County health departments but has had gotten little cooperation in obtaining this data thus far.
- Majority of meeting spent on developing the Goals Development table. Specifically, elaboration of specific action items and implementation measures for each concern.
- Debra will distribute a Goals Development Table updated based on meeting discussions.

Next meeting- Monday, April 14, 2008, 6:30 p.m.-Location Painted Hills Clubhouse
